

Code : 21994 & 21995

 Warning Warning - Any furniture that is not anchored to a wall has the potential to tip over in certain circumstances, ie if a child attempts to climb up on the furniture or in the event of an earthquake. Accordingly, we recommend that all furniture is anchored to a wall. We supply a free safety wall anchor with all furniture sold and we recommend these are used to prevent your product tipping. See our blog here for more info on using wall anchors.
