Assembly Instructions

Thank you for your purchase.
please follow the instructions below for correct assembly.

- Quicker assembly, we recommend the use of a power drill on a low-speed setting
- we strongly recommend that the product is assembled on a flat and smooth surface and keep on the same horizontal line, otherwise, there will be a phenomenon of screw dislocation and cannot be installed

WARNING: Any furniture that is not anchored to a wall has the potential to tip over in certain circumstances, i.e. if a child attempts to climb up on the furniture or in the event of an earthquake. Accordingly, we recommend that all furniture is anchored to a wall. We supply a ree safety wall anchor with all furniture sold and we recommend these are used to prevent your product tipping. See our blog here or more info on using wall anchors.
